

## 5. Update on forum

Sept 16: SCSU Forum without Officer Lindsey. Eunice will request that Rich attend.

The commission must set ground rules for the forum, and provide the following:

- Statement about the St Cloud Area Regional Human Rights Commission
- Questions: What do you like about St Cloud State University and what could be better?
- NO FOOD due to Sodexo restrictions in Atwood

Oct 21: Officer Lindsey will come to St Cloud

4 pm: Commissioners will meet with him privately; 5 pm: Presentation and Q+A with the public

Rachel will fill out the form provided by the State Dept of Human Rights to request Officer Lindsey's presence

Eunice will fill out the request form for Rich to attend that meeting as well

Eunice will let Rachel know if Rich can come to the SCSU Forum prior to Rachel sending out the announcement

Sept 11: Officer Lindsey going to a private NAACP event—commissioners discussed the questions that Eunice should ask him at that event

Sept 17: 6:30-7:30 NAACP event where Dept of Housing, Education, and Arts were invited, as well as Mayor Kleis. Officer Lindsey not able to accept the invite

Oct 9: Joint Powers Board meeting: Eunice will give an update from this meeting to the commissioners before Officer Lindsey's visit

## 6. Main Street

Main Street was a success. Based on experience with this event, the commissioners exchanged phone numbers and discussed a central location/contact person for the banner and promotional materials.

Fortunately, HRC did not require a tent for this event. Tent rental from Geyer Rental is \$89 for 3 days. Angela said it is cheaper just to buy one for \$80 at Sam's Club. The commission will keep this in mind for future events.

Sept 19: St Cloud Pride coming. Discussion of a way to thank St Cloud Pride and St Cloud OUT for their support of HRC and the free table.

## **7. Business cards**

Mike Williams said that the city can make business cards for HRC. HRC wants to know if the city decides on the design on the text, or can we give them what we would like to see? The commission recommends that the city do the business cards for us. In the short term, Rachel designed some business cards for Main Street and St Cloud Pride. HRC decided to keep the cards generic so that all commissioners present and future could use them. Discussion of phone number on the card. Eunice will ask Rich if we can use his phone number on the card. HRC would like a phone number on the business card because not everyone has computers.

## **8. Report from meeting with Rich**

Rachel summarized information from that meeting for the commissioners. Discussed how changes in claim filing procedures and 100% state funding affects Rich's work.

HRC will ask Officer Lindsey if they can request Rich to attend our monthly meetings and forums. HRC will also ask if the funding is no longer coming from the local cities, then what is the role of the Joint Powers Board?

## **9. Other No other business**

**Meeting Adjourned 7:02 pm**
