All required application information and payment of the application fee for a Land Use Change Permit must be received by the deadline identified in the attached schedule.

Eligibility:

Only the following nonconforming uses are eligible for a potential Land Use Change Permit:

- 1 Single-family, two-family, multi-family and townhouse residential, lodging house, fraternity or sorority house, residential facility or temporary shelter facility located in a commercial district.
- 2 Any commercial use in an industrial district.

- 6 Private schools for dance music, physical sciences and similar disciplines located in all residential districts and the C1 District.
- 7 Any residential use in an industrial district.

Process Information:

The Zoning Board of Appeals (ZBA) is required to make a finding of fact based on information provided by the applicant. The applicant must demonstrate that the proposed nonconforming use is of the same nature or is more conforming than the existing nonconforming use; that no structural alterations, extensions, additions, or expansions will be undertaken; and that the relation of the proposed nonconforming use to surrounding property is such that adverse effects on occupants and neighboring property will not be any greater than if the existing/original nonconforming use continued.

Land Use Change Permits shall be judged on the following criteria:

- 1 The use occurs entirely within an existing site.
- 2 The use is not detrimental or injurious to other uses permitted within the district.
- 3 The use is appropriate and consistent with the general welfare of the community and the enjoyment of adjacent property.
- 4 The off-street parking is adequate to serve the use.
- 5 The use is in substantial agreement with the Comprehensive Plan.
- 6 Hardship would result if the use were not allowed to expand.
- 7 Rezoning the property would result in "spot zoning" or zoning inappropriate to surrounding land uses.
- 8 The minimum zoning standards applicable to the zoning in which the nonconforming use is located apply.

Withdrawal and Refund Policy:

- All withdrawal requests must be submitted by the applicant to the Planning and Zoning Department in writing.
- Refund of the application fee may be possible, if the withdrawal request occurs prior to the public hearing. The amount of the refund will depend on where the application is in the review process.
