

Get Involved!

The City of St. Cloud's Stormwater Utility wants **YOU** to help stencil storm drains in the St. Cloud area!

What: Spray paint a No Dumping message with a stencil & clean-up trash from the area

When: Whenever you'd like! Kits are available.

Who: Anyone can stencil storm drains! Individuals or groups can sign-up to stencil for a service project or just for fun in their neighborhood!

Why: All storm drains in St. Cloud drain to nearby waterways, and it's important to ensure that nothing goes down those storm drains that isn't clean stormwater!

Contact stormwater@ci.stcloud.mn.us or call (320) 255-7226 for more information.
