

The Water Treatment Facility is staffed 24/7/365. For inquiries or construction-related emergencies, please call (320) 255-7225.

CONSTRUCTION PROGRESS

Warmer weather enables exterior demolition and construction to continue.

FAQs

A construction website was created. The website has additional project information. Please use this link. <https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.

How will you secure the construction site?

Along the river, jersey barriers have been placed to keep foot traffic and construction equipment a safe distance apart. Please stay on the sidewalk.

Get out and enjoy the nice weather!

Inside, the operating and maintenance levels are demoed. Pictured is the maintenance shop and locker room area with plumbing lines. The Main Lab is getting electrical upgrades.
