

Water Treatment Facility Advanced Process Improvement

August 2021

*The Water Treatment Facility is staffed 24/7/365. For inquires or construction-related emergencies, please call (320) 255-7225.*

## CONSTRUCTION PROGRESS

An extended portion of the building is starting to take form, which will be the location of the maintenance shop.

Removal of a 36 inch pipe that was installed in the 1950's and deteriorating. Each 18 foot section of pipe weighs approximately 6400 pounds.

## FAQs

A construction website was created. The website has additional project information. Please use this link.

<https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.
