

The Water Treatment Facility is staffed 24/7/365. For inquires or construction-related emergencies, please call (320) 255-7225.

CONSTRUCTION PROGRESS

Removing a large section of 30" piping under the grating, which was used to bypass a tank in an emergency situation. The tank will now hold equipment so the piping is no longer needed.

In Progress of Removal

FAQs

A construction website was created. The website has additional project information. Please use this link:

<https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.
