

Water Treatment Facility Advanced Process Improvement May 2022

The Water Treatment Facility is staffed 24/7/365. For inquires or construction-related emergencies, please call (320) 255-7225.

CONSTRUCTION PROGRESS

A new dry chlorine scrubber is online if needed, which can neutralize chlorine gas in the event of a leak and exhausts safe atmospheric air.

Hester Park elevation grading is done, now waiting for sod placement mid-June.

FAQs

A construction website was created. The website has additional project information. Please use this link. <https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.
