

Water Treatment Facility Advanced Process Improvement July 2022

*The Water Treatment Facility is staffed 24/7/365. For inquires or construction-related emergencies, please call (320) 255-7225.*

## CONSTRUCTION PROGRESS

The educational space curtain walls have been framed, showing a new view into the main lab, which handles regulatory compliance sampling.

Structural steel has been fireproofed to meet building code requirements.

## FAQs

A construction website was created. The website has additional project information. Please use this link.

<https://ci.stcloud.mn.us/WaterProject>

The Webcam link is also on the Construction Website. Please click on that link for a live look at the construction project.
