### **Article VI - City Responsibilities**

6.1 It is agreed by the parties that the City will take such steps as are necessary to implement the provisions of this agreement such as, but not restricted to, recommending passage and changes of new and existing ordinances and Civil Service Rules.

The City shall endeavor in good faith to resolve grievances and differences relating to terms and conditions of employment, acting within the framework of laws, charter provision, Civil Service Board Rules, and other special rules governing public employment.

Nothing in this Agreement shall be construed as delegating to others the duties and responsibilities conferred by law on any City official, or to in any way abridge or reduce such duties and responsibilities.

### **Article VII - LELS Responsibilities**

- 7.1 a) LELS and the City recognize the Public Employees Labor Relations Act of the State of Minnesota and pledge that all negotiations concerning the terms and conditions of employment with the City of St. Cloud shall be in compliance with said law.
- b) Neither LELS, nor its officers nor agents, nor any of the employees covered by this agreement will engage in, encourage, sanction, or support any strikes, slow-downs, mass resignations, mass absenteeism, the willful absence from one's position, the stoppage of work or the abstinence, in whole or part, of the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in the conditions or compensation or the rights, privileges, or obligations of employment. In the event that any employee violates this article, LELS shall immediately notify any such employees in writing to cease and desist from such action and shall instruct them to immediately return to their normal duties. Any or all employees who violate any of the provisions of this article may be discharged or otherwise disciplined.
- c) All members of LELS will faithfully adhere to all applicable rules and regulations of the Civil Service Board and work rules of the City not in conflict with this agreement.

### **Article VIII - Grievance Procedure**

- 8.1 a) **Definition of Grievance.** Grievance means a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this contract.
- b) **Organization Representatives.** The City will recognize employee representatives designated by LELS as the grievance representatives of the bargaining unit having the duties and responsibilities established by this article. LELS shall notify the City in writing of the names of such employee representatives and of their successors when so designated.
- c) **Processing of Grievance.** It is recognized and accepted by both parties to this agreement that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and the employee representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the employer during normal working hours provided the employee and the employee representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the employer.

d) **Procedure.** Grievances, as defined by Section (a) above, shall be resolved in conformance with the following procedure:

STEP 1: An employee claiming a violation concerning the interpretation or application of this contract shall, within ten (10) calendar days after such alleged violation, present such grievance to the employee's immediate supervisor outside the bargaining unit. The supervisor will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the contract allegedly violated, the remedy requested, and shall be referred to Step 2 within ten (10) calendar days after the final answer in Step 1.

STEP 2: The written grievance shall be presented to and discussed with the department head. The department head shall give the employee and the employee representative who presented the grievance the employer's Step 2 answer in writing within ten (10) calendar days after receipt of such Step 2 grievance. An additional copy shall be promptly mailed to the corporate offices of Law Enforcement Labor Services, Inc. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the final Step 2 answer.

STEP 3: The written grievance shall be presented to and discussed with the Mayor's Office. The Mayor's Office shall give the employee and the employee representative who presented the grievance the employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. An additional copy of the employer's answer shall be promptly mailed to the corporate offices of Law Enforcement Labor Services, Inc. A grievance not referred in writing to Step 4 by the employee within ten (10) calendar days will be considered waived.

STEP 4: A grievance unresolved in Step 3 and appealed to Step 4 shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971 as amended. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Public Employment Relations Board.

e) **Arbitrator's Authority.**

1. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of the contract. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the City and the employee and shall have no authority to make a decision on any other issue not so submitted.

2. The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator's interpretation or application of the express terms of this contract to the facts of the grievance presented.

3. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the City and LELS, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

f) **Waiver.** If a grievance is not presented within the time limits set forth above, it shall be considered "waived." If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the City's last answer. If the City does not answer a grievance or an appeal thereof within the specified time limits, LELS may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limited in each step may be extended by mutual written agreement of the City and LELS in each step.

A grievance time limit shall be considered to have been met if the grievance or appeal is mailed within the time limit.

g) **Grievance Representative.** Employees presenting grievances may choose to be represented by the grievance representative of LELS.

h) **Discipline.** The employer will discipline for just cause only.

i) **Election of Remedies.** If, as a result of the written Employer response in Step 3, the grievance remains unresolved, and if the grievance involves the suspension, demotion or discharge of an employee who has completed the required probationary period, the grievance may be appealed either to Step 4 of Section 7 or a procedure such as Civil Service, Veterans Preference or Fair Employment. If appealed to any procedure other than Step 4 of Section 7, the grievance is not subject to the arbitration procedure as provided in Step 4 of Section 7.

The aggrieved employee shall indicate in writing which procedure is to be utilized, Step 4 of Section 7 or another appeal procedure, and shall sign a statement to the effect that the choice of any other hearing precludes the aggrieved employee from making a subsequent appeal through Step 4 of Section 7.

*An employee pursuing a remedy pursuant to a statute under the jurisdiction of the United States Equal Employment Opportunity Commission is not precluded from also pursuing an appeal under the grievance procedure of this Agreement. EEOC v. Board of Governors of State Colleges and Universities, 957 F.2d 424 (7<sup>th</sup> Cir.), cert. Denied, 506 U.S. 113 S.Ct. 299 (1992), If, Board of Governors is judicially or legislatively overruled, the italicized portion of this section shall be null and void.*

j) **Disciplinary Action/Employee Misconduct Forms.** The City will utilize two types of employee misconduct forms, temporary and permanent. Both shall be subject to the grievance procedure. Temporary misconduct forms shall be destroyed after one year.

## **Article IX - Negotiation Through Designated Representatives**

- 9.1 The parties agree that all negotiations will be conducted exclusively between the designated representatives of the City and LELS. Neither party will make any effort to bypass the spokesman of the other party during the period of negotiations.

## **Article X - Probationary Periods**

- 10.1 **Original Appointment.** Every person appointed to a position in the classified service through an original appointment shall serve a twelve (12) month probationary period.
- 10.2 **Termination.** At any time during the probationary period a newly hired or rehired employee may be terminated at the sole discretion of the employer. Honorably discharged veterans as defined by MSA 197.45 shall be removed only in accordance with the provisions of MSA 197.46.
- 10.3 **Promotions.** Promoted employees in classified positions shall serve a probationary period of six months.

- 10.5 **Right to Return.** A promoted employee shall have the right to return to his/her previous position provided that he/she notifies his/her department head and the secretary of the Civil Service Board of his/her intention to do so within the probationary period for the promoted position.
- 10.6 **Appointment from Re-employment Lists.** Original appointment probationary employees having served less than half of their probationary period before layoff or demotion in lieu of layoff shall serve the remainder of their probationary period upon appointment from a re-employment list. Original appointment probationary employees having served half or more of their probationary period before layoff shall serve a probationary period upon appointment from a re-employment list equal to half the probationary period of new employees in the class. Employees laid off before completing probation after a promotion shall serve a six (6) month probationary period after appointment from a re-employment list.
- 10.7 **Transfer.** A transferred employee in the classified service shall be required to serve a sixty (60) day probationary period beginning on the date of transfer. A candidate for transfer who is rejected during a probationary period shall return to his/her former position.
- 10.8 **Demotion.** A demoted employee shall serve a six (6) month probationary period unless he/she has already successfully completed a probationary period in the position to which he/she is demoted. (In lieu of layoff, see Section 14.6 of this agreement.)

- 10.9 **Interruption of Services.** Any interruption of service during the probationary period shall not be counted as part of the probationary period.
- 10.10 **Performance Reports.** Department heads shall submit to the Personnel Office a monthly performance report on every probationary employee. Prior to its submission, the report shall be reviewed with the employee and signed by him/her as evidence that he/she is aware of its contents, and a copy of the report shall be given to the employee.
- 10.11 **Permanent Status.** Every appointment, whether original or promotional, shall become permanent at the end of the probationary period unless such appointee shall have been rejected as provided herein.

### **Article XI - Work Schedules**

- 11.1 **Posting.** Work schedules, including starting and quitting times, will be posted on the department's web-based scheduling/payroll system, and/or other electronic method determined by the department, which is accessible to all LELS Local 281 employees at all times, once posted by the department. Any change in work schedules shall be posted at least seventy-two (72) hours if sergeant is scheduled to work that day or one hundred twenty (120) hours in advance of the start of the shift if sergeant is not scheduled to work. In case of an emergency, the department head, or designee may, for the duration of the emergency, change work schedules without prior notice. If the schedule is changed for a non-emergency and it is less than seventy-two (72) hours if sergeant is scheduled to work that day or one hundred twenty (120) hours if sergeant is not scheduled to work that day the sergeant will be paid one and one-half (1 ½) the sergeant's normal rate of pay for all hours worked. An employee taking sick leave shall not be considered an emergency. The City shall make a reasonable effort to post work schedules on or before December 15 of each year. The City retains the sole discretion to schedule its employees, including its police officers, to best meet the needs of the City. The department head may change work schedules without prior notice for any employee placed on administrative leave.
- 11.2 **Work Day and Work Week.** The basic work week for Sergeants shall be an average of 40 hours; the base work day for officers working an eight-hour shift shall be eight consecutive working hours, and the basic work day for officers working a ten-hour shift shall be ten consecutive working hours.
- 11.3 **Rest and Lunch Periods.** All employees shall have a 15-minute rest period during each one-half work day to be scheduled at the middle of such one-half work day whenever this is feasible.

All employees shall be granted a lunch period for each work day. Whenever possible, the lunch period shall be scheduled at the middle of each work day. The lunch period shall not be more than one-half hour and shall be considered work time.

- 11.4 **Attendance.** Employees shall be in attendance at their work in accordance with the rules regarding hours of work, holidays and leaves. Any employee who is absent without leave shall be subject to appropriate disciplinary action.

## Article XII - Overtime

- 12.1 **Overtime.** All employees shall be compensated at the rate of one and one-half times the regular rate of pay for all time worked in excess of their designated basic work week or work day. Sergeants assigned to a ten-hour work day shall be compensated at the rate of one and one-half times the regular rate of pay for all hours in excess of ten (10) hours per day or in excess of an average forty-hour week, but not for both. Sergeants assigned to an eight-hour work day shall be compensated at the rate of one and one-half times the regular rate of pay for all time in excess of forty (40) hours per week, or eight (8) hours per day, but not for both. Overtime as defined herein shall be paid on the basis of all hours compensated.

Upon their request, and with the approval of the department head, employees may be compensated for overtime with compensatory time off at the rate of one and one-half times the amount of overtime worked. Accumulated compensatory time may be used upon request of the employee and approval of the department head prior to the date of requested use. Sergeants may accumulate a maximum of one hundred (100) hours of compensatory time. Accumulated compensatory time limits and use may be established by department work rules. *Eff 1-1-12*

Holiday hours worked or not, and approved paid leaves, including, but not limited to vacation and sick leave, shall be considered as work time for the purpose of computing overtime.

In the case of emergency, the department head may require an employee to work overtime, even though the employee may have indicated that he/she does not wish to work overtime. Failure of an employee to work overtime when required in the case of emergency shall subject the employee to disciplinary action, unless there are extenuating circumstances. The department head shall at all times be prepared to justify all overtime allowed, stating date, hours worked, and reason for overtime work.

- 12.2 **Holiday Hours.** See Section 15.2.

- 12.3 **Return to Duty Pay.** A minimum of three (3) hours compensation shall be paid to all employees who are called back to duty for court appearances, including testifying in a criminal prosecution or a civil action in which a police officer is required to testify as a result of his/her police duties and for which a subpoena is received. A minimum of two (2) hours compensation shall be paid to all employees who are called back to duty for any other departmental purpose. Should the time exceed three (3) hours for court appearances or two (2) hours for all other departmental purposes, the employee shall be paid for the actual time spent. An employee who answers a call to return to duty shall be considered as being on duty for the full two or three hours as set forth above, and another call within this two or three-hour period shall not entitle the employee to extra compensation. If an employee is released from duty having completed less than two or three hours, he/she need not return to work to fill out the two or three-hour period to receive two or three hours pay. Any subpoena or witness fees received by a Sergeant as a result of any court appearances for which the officer is compensated under this section shall be turned over to the City.

The City will attempt to provide a minimum of 24 hours notice of cancellation of court appearances scheduled for times when a Sergeant is not on duty. If the City provides less than 24 hours notice of cancellation, the Sergeant shall receive the three (3) hours minimum compensation available for employees called back to duty. Notice shall be considered as given if placed on the department's electronic mail system or in the alternative, employees shall be directed to call the on-duty supervisor.

Return to duty time commences when the Sergeant reports by phone or radio that they are ready to respond and are en route to the Police Station or the crime scene. For purposes of testifying in court or other pre-scheduled training, meeting, or shift change, the return to duty time commences when the Sergeant reports for duty to the Police Station.

- 12.4 **Training Pay.** City shall pay one and one-half times regular salary rate for training required by the Police and Peace Officers Licensing Law which is taken outside of regular duty hours (approximately 48 hours every three years). The Chief will establish the type and amount of training required.
- 12.5 **M.P.P.O.A. Annual State Conference.** A maximum of two sergeant delegates shall be granted leave during work hours to attend POST accredited training related to the M.P.P.O.A. legislative conference. MEMORANDUM OF UNDERSTANDING  
BETWEEN THE CITY OF ST. CLOUD AND  
LELS LOCAL # 281 (SERGEANTS)

This MEMORANDUM OF UNDERSTANDING ("MOU") is made the 7<sup>th</sup> day of February, 2022 by and between the City of St. Cloud (the "Employer") and LELS Local # 281, Sergeants (the "Union") regarding the use of a department vehicle.

The parties to this MOU mutually agree that Sergeants assigned to the units listed below will be assigned a department vehicle for their use for all police department business and to travel between their residence and the police department. For purposes of traveling between the Sergeants' residence and the police department, Sergeants may not travel with their department vehicle further than a 60-minute drive time from the St. Cloud City limits as determined via a GPS mapping software, such as MapQuest or Google Maps. Take home vehicles benefit the Employer by ensuring a quicker response time in the event of a call back to duty; however, take home vehicles also increase the Employer's costs for fuel and maintenance.

Therefore, the parties agree that the Sergeants assigned to these units will be assigned a department vehicle for use for all police department business and to travel between their residence and the police department and the Employer retains the right to "call back" the vehicles and utilize the take home vehicles at any time, depending on the needs of the City or the Department.

This MOU will automatically terminate on December 31, 2024, unless extended by mutual agreement. The parties agree to meet and confer when necessary to discuss the use of department vehicles.

Units include:

- Criminal Investigations
- CCIT
- CRT
- School Resource

Approved this 7<sup>th</sup> day of February, 2022 by the City and the Union.
