9.4 GENERAL STANDARDS OF APPLICABILITY

9.1 PURPOSE

A. Purpose of C-1 Business Office District

The purpose of the C-1 Business Office District is intended to create a commercial environment of a primarily non-retail nature for the development of office structures and related uses.

B. Purpose of C-2 Neighborhood Commercial District

The C-2 Neighborhood Commercial District is composed of establishments offering convenience goods and basic services which are incidental to and compatible with the residential character of the abutting neighborhood.

C. Purpose of C-3 Central Business District

The C-3 Central Business District is designed to reflect central location and ease of access of being the hub of a system of radial thoroughfares. A prime characteristic of this district is the historic core of intense pedestrian activity.

D. Purpose of C-4 Fringe Central Business District

The purpose of the C-4 Fringe Central Business District is designated for activities related in a peripheral manner to those in the C-3 Central Business District. The customer may come to a particular establishment by automobile or on foot. Good traffic accessibility is essential.

E. Purpose of C-5 Highway Commercial District

The purpose of the C-5 Highway Commercial District is to provide an area of service facilities to the motoring public adjacent to arterial traffic routes as defined in the Comprehensive Transportation Plan.

F. Purpose of C-6 Southside Mixed Use District

The purpose of the C-6 Southside Mixed Use District is to facilitate urban scale mixed use redevelopment that complements the unique historic character and assets of the Southside University Neighborhood.

9.2 PERMITTED AND CONDITIONAL USES

Table 9-1: Commercial Districts Permitted and Conditional Uses lists permitted and conditional uses for the commercial districts. A "P" indicates that a use is considered permitted within that district. A "C" indicates that a use is considered a conditional use in that district and must obtain a conditional use permit as required in Section 4.3 (Conditional Use Permit). No letter (i.e., a blank space), or the absence of the use from the table, indicates that use is not permitted within that district.

FOOTNOTES TABLE 9-2

¹ When C-3, C-4 or C-5 District boundaries are adjacent to a residential district, the required setback must be the same as required on the residential lot line.

² Where an interior side setback is provided, there must be a minimum interior side setback of 5 feet, provided that the structure contains a solid fireproof wall. If the structure contains windows and/or doors on the interior side yard, a setback equal to one-half the height of the structure is required.

³ Where a rear setback is provided and the rear yard is not adjacent to a public alley, there must be a minimum setback of 10 feet. If the rear yard abuts an alley, no setback is required.
